Modeled on the brilliant approach first formulated by distinguished professor of music and master clarinetist Michele Gingras in *Clarinet Secrets* and *More Clarinet Secrets* (both available from Scarecrow Press), Music Secrets for the Advanced Musician: A Scarecrow Press Music Series is designed for instrumentalists, singers, conductors, composers, and other instructors and professionals seeking a quick set of pointers to improve their work as performers and producers of music. Easy to use and intended for the advanced musician, contributions to the Music Secrets series fill a niche for those who have moved beyond what beginners and intermediate practitioners need.

In *Oboe Secrets: 75 Performance Strategies for the Advanced Oboist and English Horn Player*, Jacqueline Leclair tackles the oboe's reputation as an especially difficult instrument and illustrates how oboists and English horn players can overcome common challenges. Leclair draws on her experience as a performer and instructor, offering practical tips and sometimes revolutionary ideas for rethinking oboe pedagogy.

Leclair also looks at performance strategies in the areas of equipment maintenance and management, physical health, and performance technique. Her secrets focus on such matters as how to optimize practice sessions, build endurance, improve use of the body when playing, work with reeds, and apply extended techniques. *Oboe Secrets* provides oboists and English horn players a quick and efficient path to significant improvement—both technically and musically—in their playing. It is the perfect resource for advanced high school oboists, professional performers, music instructors, and avid amateur musicians.
