Protesting Songs Jane Wood

Protesting songs have been around for years. Unlike Jane and Mike who have only been performing as a duo since 1982. Still, for most of that time they have been singing Protesting Songs, amongst other ditties, including many that they've written themselves. Some of them are included in this book, mostly written by Jane, with bits of history and discussion from Mike. He wants you to know how Protesting Songs are made and how you can make them yourself. He tells the behind-the-scenes secrets of songs that were made in the last few decades, and even talks about putting your own homemade songs out into the world, sharing them with other singers and a wider audience. That advice alone is invaluable, but the thing that means this book is unique is the links it gives to videos, audio recordings and websites. If you follow these, you will get to hear the songs being talked about, and be able to see for yourself if what Jane and Mike say is true. Good Luck, and don't forget to leave comments, positive or negative.
