RAM: The Abduction of Sita into Darkness (Oberon Modern Plays) Yael Farber

A riveting new stage adaptation from award-winning writer and director Yael Farber. In this new publication, Farber (inspired by contemporary retellings) adapts the ancient tale of *The Ramayana*, attributed to the Hindu sage Valmiki. The original Ramayana forms a significant part of the Hindu canon, dating to approximately the 5th-4th century BC – with the oldest surviving manuscripts from the 11th century BC. Farber's potent revisioning of this age-old text is a raw and probing contemporary work which places the loss of the Feminine Divine, and thus our lack of spiritual and moral equilibrium, at its visceral core. This is a Ramayana for a new world.
