The Steward Living in Covenant: A New Perspective in Old Testament Stories (Faith's Horizons)

Ronald E. Vallet

The Steward Living in Covenant explores the theme of stewardship from a fruitful new perspective. Ronald Vallet explores Old Testament stories from creation to Isaiah and links the life of the steward to the theme of covenant—a first for books in this area.

Written as an Old Testament parallel to Vallet's acclaimed Stepping Stones of the Steward, this new volume reclaims the Old Testament foundations of a fully biblical theology of stewardship. Vallet looks especially at the promise and command aspects of God's covenant with his people as a vital dimension of what it means to be a steward. A special feature of the volume is the inclusion of two choral readings and three dramas by dramatist Wanda Vassallo specifically designed to enliven worship and education programs.
