Aguas Fuertes (Spanish Edition) Armando Palacio Valdés

EL RETIRO DE MADRID I MAÑANAS DE JUNIO Y JULIO Entre las muchas cosas oportunas que puede ejecutar un vecino de Madrid durante el mes de Junio, pocas lo serían tanto como el levantarse de madrugada y dar un paseo por el Retiro. No ofrece duda que el madrugar es una de aquellas acciones que imprimen carácter y comunican superioridad. El lector que haya tenido arrestos para realizar este acto humanitario, habrá observado en sí mismo cierta complacencia no exenta de orgullo, una sensación deliciosa semejante a la que habrá experimentado Aquéles después de arrastrar el cadáver de Hæctor en torno de las murallas de Ilión. El heroísmo presenta diversas formas según las edades y los países, mas en el fondo siempre es idéntico. Cuando madrugamos para ir a tomar chocolate malo al restaurant del Retiro, una voz secreta que habla en nuestro espíritu, nos regala con plácemes y enhorabuenas. Nuestra personalidad adquiere mayor brío, nos sentimos fuertes, nobles, serenos, admirables. Los barrenderos detienen la escoba para mirarnos, y en sus ojos leemos estas o semejantes palabras: "¡Así se hace!" "Mueran los tumbones!" "Usted es un hombre, señorito!" Y en testimonio de admiración nos echan media arroba de polvo en los pantalones. El día que madrugamos no admitimos más jerarquías sociales que las determinadas por el levantarse temprano o tarde. Todas las demás se borran ante esta división trazada por la misma naturaleza. Los que tropezamos paseando en el Retiro adquieren derecho a nuestra simpatía y respeto; son colegas estimables que forman con nosotros una familia aristocrática y privilegiada. A la vuelta, cuando encontramos a algún amigo que sale de su casa frotándose los ojos, no podemos menos de hablarle con un tonillo impertinente, que acusa nuestra incontestable superioridad
