Farming Machinery - Combine Harvesters - With Information on the Operation and Mechanics of the Combine Harvester Various

This early work on combine harvesters is both expensive and hard to find in its first edition. It contains information on the types of harvesters, threshing mechanisms, operation and much more. This is a fascinating work and is thoroughly recommended for anyone interested in farm machinery. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
