## **The Thing on the Doorstep** H. P. Lovecraft

H. P. Lovecraft ranks amongst the most important speculative fiction writers of all time. First published in the January 1937 issue of *Weird Tales*, 'The Thing on the Doorstep' is an important part of Lovecraft's Cthulhu Mythos. Many of the horror stories of monsters and ghouls, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
