The death of a loved one shatters the lives of those left behind. In our grief and despair, we pray to everything holy that this is not the end. We need desperately to believe that our loved ones have not left us and that we will see them again. Despite what common sense might dictate, we pray for the peace, comfort, and serenity—and yes, the joy—that can come only from *knowing* that death is nothing more than a transition and that human consciousness lives on forever.

In this book author William Hammond profiles a series of stunning personal experiences that include three soul to soul communications with his beloved wife, Victoria, who died in 2011. His experiences provide irrefutable evidence that life is eternal and that love never dies. This gift, delivered to the author by a messenger of hope, is the ultimate gift that God has given us all.
