Aashish Kaul

A Dream of Horses & Other Stories Aashish Kaul

The stories in this collection draw variously on the themes of love and loss, Taoist metaphors, socio-political concerns, and the writer's place and role in the world. Literary and complex yet accessible and fast-paced, each story differs widely in style, motivation, philosophy, and denouement from all the others. The collection encompasses topographies and places from China to France, and Ireland to India.
