La Casa (Spanish Edition) Daniel Gallegos

La Casa es una obra que recoge el sentido de respeto por la libertad del grupo social -en este caso la familia-. Afirma la debilidad de todo espacio concreto que crezca, salga y regrese a la vida.

En la obra el hogar se convierte en sitio que aprisiona a sus habitantes, pues más que un espacio para posibilitar la armonía del vivir, se convierte o transforma en un laberinto o encierro en el cual todos se van dejando llevar. El resultado es la disgregación familiar y la emergencia o aparición de un espacio en el cual ya son imposibles las relaciones de convivencia, pues la estructura termina por separar al grupo familiar.

From reader reviews:

Dawn Williams:

Nowadays reading books be a little more than want or need but also work as a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The info you get based on what kind of reserve you read, if you want get more knowledge just go with training books but if you want experience happy read one together with theme for entertaining for instance comic or novel. The particular La Casa (Spanish Edition) is kind of book which is giving the reader unstable experience.

Loren Hatfield:

Information is provisions for people to get better life, information these days can get by anyone from everywhere. The information can be a expertise or any news even a concern. What people must be consider whenever those information which is from the former life are hard to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take La Casa (Spanish Edition) as your daily resource information.
