Power and Corruption in the Early Modern Portuguese World Erik Lars Myrup

Encompassing numerous territories across four different continents, Portugal's early modern empire depended upon a vast and complex bureaucracy, yet colonial power did not reside solely in the centralized state. In a masterful reconceptualization of the functioning of empire, Erik Lars Myrup's *Power and Corruption in the Early Modern Portuguese World* argues that beneath the surface of formal government, an intricate web of interpersonal relationships played a key role in binding together the Portuguese empire.

Myrup draws on archival research in Portugal, Spain, Brazil, and China to demonstrate how informal networks of power and patronage offered a crucial means of navigating-or circumventing-the serpentine paths of the governmental hierarchy. The decisions of the Overseas Council, which governed Portugal's imperial holdings, reflected not only the merits of the petitions that came before it, but also the personal and institutional affiliations of the petitioner. In far-flung areas such as São Paulo and Macau, where the formal bureaucracy was weak, local cultural and economic factors held as much sway over the agents of the colonial state as did the dictates of the imperial court at Lisbon.

Populated by a host of colorful characters, from backland explorers to colonial magistrates, *Power and Corruption in the Early Modern Portuguese World* demonstrates how informal social connections both magnified and diminished the power of the colonial state. If such systems contributed to corruption and fraud, they also facilitated effective cross-cultural exchange and ensured the survival of empire in times of crisis and decline. Myrup has produced a truly global study that sheds new light on the influence of interpersonal networks on the administration of a vast overseas empire.

From reader reviews:

Derek Morton:

Nowadays reading books become more and more than want or need but also become a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want send more knowledge just go with education books but if you want really feel happy read one along with theme for entertaining such as comic or novel. Often the Power and Corruption in the Early Modern Portuguese World is kind of reserve which is giving the reader unforeseen experience.

Larry Chaffin:

Why? Because this Power and Corruption in the Early Modern Portuguese World is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book next to it was fantastic author who all write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of rewards than the other book have got such as help improving your talent and your critical thinking technique. So , still want to delay having that book? If I ended up you I will go to the guide store hurriedly.

James Martin:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Power and Corruption in the Early Modern Portuguese World can make you really feel more interested to read.

Christopher Parker:

What is your hobby? Have you heard this question when you got college students? We believe that that problem was given by teacher to the students. Many kinds of hobby, All people has different hobby. And you also know that little person just like reading or as reading become their hobby. You should know that reading is very important along with book as to be the matter. Book is important thing to include you knowledge, except your personal teacher or lecturer. You find good news or update about something by book. Amount types of books that can you decide to try be your object. One of them is this Power and Corruption in the

Early Modern Portuguese World.
