Have you ever had a REEL TALK? Pop culture is a major source of communication. It's an ice breaker with new friends. It's a memory with old friends. It marks important steps in your life: the first R-rated film you watched; your favourite holiday film; the magazine you renewed each year on your birthday; the first time you beat that boss level in a tough video game; the TV show you rushed home to watch; the CD you played in your first car; the song that played at your wedding; and the website you check into every morning before work. We relate to each other and form identities through pop culture. From love triangles to TV moms, from Julia Roberts to Will Ferrell... REEL TALK investigates the twists and turns of the sometimes serious but oftentimes humorous world of pop culture.
