Vivian Regan:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
