Ultimate power, or endless love?

Born the son of a Scottish laird a thousand years ago, but now trapped by his cousin's spell, Devin McLoch has seen countless battles and death. The erstwhile thief has turned away from darker pursuits to lead a life of peace, protecting those he loves and considers part of his clan. However, there is one woman he can never forget, who must be given a chance to change, to accept her heart and his.

Arianne Farrell is just as dangerous and intoxicating as her power. Imprisoned in an ancient stone dance more than a thousand years ago, her only chance at freedom from the spell is through love--a love she denied. When Devin asks for her aid to save another from imminent death, she realizes there is more at stake than just her freedom or her heart.

WARNING: Two stubborn sexy wizards using magic with no bounds, scorching love scenes, and happy ever after. Ever play with fire?
