International Corporate Practice enables you to create a dynamic global legal department that helps foster clients' multinational growth. It shows you how to: structure and staff the department • craft compliance programs • commercialize intellectual property • effect mergers and acquisitions abroad • craft international project financing deals • ensure clients' meet foreign financial reporting, transfer pricing, and environmental standards • manage crises • and draft international arbitration agreements.

A new update offers new information on the structure of model international law firm networks, the different ways that European laws deal with whistleblowing, proposed product safety legislation, and international law on hazardous waste cleanup.

Founded in 1933, Practising Law Institute (Practicing Law Institute, PLI) is the nation's foremost provider of continuing legal education. PLI is a leading publisher of authoritative legal references and other information resources and offers more than 300 live and electronic programs nationally.
