**Making Video Dance: A Step-by-Step Guide to Creating Dance for the Screen** Katrina McPherson

Since the advent of digital video technology, 'dance on camera' has become an increasingly popular, and important genre of dance.

This is the first ever 'how-to' manual for choreographers, dancers and students who want to make dance films.

Specifically written from a personal experience of a complete lack of printed material to help beginners get started, Katrina McPherson has produced an exemplary text which combines practical help with aesthetic discussion in an anecdotal and accessible style.

*Making Video Dance* includes:

- exercises to be used inside, or outside the classroom
- a production diary
- interviews with leading practitioners on both sides of the camera.

Also including a glossary of terms, anyone involved in making dance videos needs this helpful and remarkable book.
