The Sacred Echo Margaret Feinberg

'Don't Listen For the Voice of God. Listen for His Echo.'

When God really wants to get your attention, he doesn't just say something once. He echoes.

He speaks through a Sunday sermon, a chance conversation with a friend the next day, even a random email. The same theme, idea, impression, or lesson will repeat itself in surprising and unexpected ways until you realize that maybe, just maybe, God is at work.

According to author Margaret Feinberg, the repetitive nature of a sacred echo gives us confidence that God really is prompting, guiding, or leading. The sacred echo reminds us to pay close attention -- something important may be going on here. The sacred echo challenges us to prayerfully consider how God is at work in our life as well as in the lives of those around us. The sacred echo is an invitation to spiritual awakening.

Margaret writes, 'I want a relationship with God where prayer is as natural as breathing. If God is the one in whom we are to live and move and have our being, then I want my every inhale infused with his presence, my every exhale an extension of his love.'

If that's your desire too, let Sacred Echo be your guide to a deeper, more rewarding relationship with the God of the universe.
