Unending Crisis: National Security Policy After 9/11 Jr., Thomas Graham, Thomas Graham

In *Unending Crisis*, Thomas Graham Jr. examines the second Bush administration's misguided management of foreign policy, the legacy of which has been seven major - and almost irresolvable - national security crises involving North Korea, Iran, Afghanistan, Pakistan, Iraq, the Arab-Israeli conflict in Palestine, and nuclear proliferation. *Unending Crisis* considers these issues individually and together, emphasizing their interrelationship and delineating the role that the neoconservative agenda played in redefining the way America is perceived in the world today.
