Algunas cartas familiares de José Viera Y Clavijo (17701807) (Rescate) (Spanish Edition) Rafael (Ed.) Fernández Hernández

Las cartas de Viera y Clavijo, como han demostrado José Rodríguez Moure, Agustín Millares Carlo, Buenaventura Bonnet, María Rosa Alonso o Alejandro Cioranescu, constituyen un material imprescindible para conocer parcelas del pensamiento, carácter y alcance intelectual del primer historiador moderno de Canarias.

También permiten que el lector de hoy conozca los entresijos de ciertas parcelas de la historia, la ciencia, la cultura y la historiografía de los siglos XVIII y XIX a través de los ojos de un testigo de excepción: perspicaz crítico, adscrito a los principios de la Ilustración, europeísta, caracterizado, además, por una permanente curiosidad científica y social, y por un humor sazonado con pizcas de sal gruesa, cuando la oportunidad lo requiere. La correspondencia de Viera y Clavijo, además, es un material de gran interés para conocer a personajes internacionales del mundo de las ciencias, de la historia, de la diplomacia y de la Iglesia, unos canarios (Vizconde de Buen Paso, Clavijo y Fajardo, los Iriarte, o Porlier) y otros peninsulares y extranjeros (Cavanilles, Marqués de Santa Cruz, Campomanes, Franklin...).

Esta edición recopila setenta y ocho cartas de Viera y Clavijo y viene acompañada de una introducción, notas y un apéndice realizados por el profesor de Literatura de la Universidad de La Laguna, Dr. Rafael Fernández Hernández.
