When caught in a compromising position with her husband's brother, the beautiful, strong and willful Hanna learns that her husband's family has an unusual tradition. Given an ultimatum, she must chose between allowing her marriage to end or agreeing to a life which includes domestic discipline—starting immediately. It is a decision that has her bottom thoroughly heated with a belt while bent naked over her husband's knee while the object of her desires watches her receive the first punishment of her life. But, her husband is thorough and it doesn't stop there. Her humiliation continues when she is filled with an enema followed by a good, stiff, bent over reminder of who her husband is.
