**¡La Fábrica de Ideas!: Creatividad y estrategia en un mundo diverso (Spanish Edition)** Juan Daniel Correa Salazar

¡La fábrica de ideas!: Creatividad y estrategia en un mundo diverso es una propuesta para hacer un alto en el camino. No resuelve el problema de la falta de tiempo, pero sí presenta opciones para, a través de la creación (de cualquier tipo de empresa), superar parámetros temporales que comúnmente se sobrentienden como inamovibles y definitivos. Plantea la posibilidad de leer entre líneas con el objeto de penetrar un poco más allá de la superficie, y olvidarse de que lo obvio es obvio, con miras a mejorar la lectura de cierto tipo de información que muchas veces está presente ante nuestros ojos desnudos y que, por algún motivo, nos negamos a ver. La obra puede ser leída como un todo de principio a fin. También cada uno de sus capítulos puede ser abordado de forma independiente y aleatoria, como sucede con los discos conceptuales o con las listas de reproducción de los iPods, donde se tiene la posibilidad de escuchar una canción de la mitad, para luego hacer lo mismo con la del comienzo, y seguir con la última, o como quieran, dependiendo de su imaginación. Pueden activar o desactivar el modo de reproducción aleatorio a su antojo. Todo es válido.
