## **La sombra de tu memoria (Spanish Edition)** Noelia Amarillo

Una conmovedora novela que entrelaza vida, pasión y memoria en la España de la Guerra Civil. La historia de una mujer que luchó contra la indiferencia y que esbozará el difícil camino de su vida y el de toda su generación. Una emocionante novela que gustará a las lectoras y los lectores de El tiempo entre costuras. A través de los trazos irregulares de su memoria, Visi, la protagonista, esbozará el difícil camino de su vida, que no es otra que la de toda una generación que intenta guardar sus recuerdos en el único lugar en el que las arenas del tiempo no pueden enterrarlos: en las mentes de sus descendientes. Este no es solo el relato de una mujer, es una carta abierta, una lucha contra la indiferencia, una declaración de vida. Una historia que comienza en 1913 con la muerte de un ser querido, y que solo terminará cuando las sombras de la memoria se pierdan en el olvido.
