Voted the #1 Focus on the Family program for 2015, Kimberly and LeRoy Wagner's interview on *Fierce Women* evoked an incredible response. Requests poured in for a companion book geared directly to men, one that would help men who struggle with loving and leading a strong wife.

Men Who Love Fierce Women is that book. Paralleling the content and chapters of *Fierce Women*, but featuring LeRoy's perspective and Kim's insider insights, it equips men to better understand, love, and relate to their strong wife. Each chapter closes with a study section of diagnostic questions and Scripture to apply the content practically and personally.

"Five years into 'wedded bliss,' I confessed to Kim that I no longer loved her," writes LeRoy. "We were stuck in a destructive relationship pattern that we now refer to as the 'fierce woman/fearful man' cycle, and I had lost all hope for a peaceful marriage. We've discovered that this is a common relationship dynamic, and we want to encourage and equip husbands and show them a promising way forward."

***Men Who Love Fierce Women* is flexibly designed to stand alone, pair with *Fierce Women*, or facilitate for a group study.**
