In The Seven Whispers, journal writing pioneer Christina Baldwin teaches us to listen to the inner voice that originates from each of our souls — the voice of spirit. Though we may call this voice by whatever name has meaning for us — spirit, intuition, or God — hearing it is a universal human experience. Built around seven phrases, or whispers, Baldwin's book is a personal guide for finding and listening to that voice. A powerful call to reenvision our lives, told in the voice of a trusted friend, The Seven Whispers delivers a wonderfully inspiring yet practical spirituality.
