Under His Nose (Guys and Godmothers) Candice Gilmer

All it takes is faith, trust, and fairy dust. A swift kick never hurts, either.

Guys and Godmothers Book 1

Christy is due for retirement from her fairy godmother gig, but she agrees to take one last case. Helping Roark Turner find his perfect girl shouldn't be much of a challenge--after all, she is a veteran fairy godmother.

What makes this case interesting? She must use as little magic as possible to bring Roark his much-desired Happily Ever After.

Now Christy must use every skill at her command--just not her magic--to thwart Cupid's meddling and get Roark and his perfect match Stephanie together without changing their free will or ruining her perfect record. Or she'll never get her own Happily Ever After.
