Now it's time for the Goddess to tell her side of the story. Since the publication of *Conversations with God*, you may have felt the Goddess deserved equal time to tell Her side of the story. *Conversations with the Goddess* is a series of dialogues within which the Goddess reveals much vital information about Herself, Her ancient matriarchal tradition and the current revival of the female principle on Earth. Topics include: The complete history of the matriarchy; Lucifer, the Goddess's son and ancient king of the world; Atlantis, the birthplace of the patriarchy; The European mystery schools and secret societies, the hidden branches of the matriarchy; Armageddon, the final battle between matriarchy and patriarchy; Hitler, leader of the armed forces of the patriarchy; The United States, new home of the matriarchy. Mark Pinkham gives us an alternative history of Lucifer, the ancient king of the world, and the matriarchal tradition he founded thousands of years ago. The name Lucifer means "light bringer," and he is the same as the Greek god Prometheus but different from Satan, who was based on the Egyptian god Set. Find out how the branches of the matriarchy, the secret societies and the mystery schools were formed and how they have been receiving assistance from the brotherhoods on Sirius and Venus to evolve the world and overthrow the patriarchy. Learn about the revival of the Goddess tradition in the New Age and why the Goddess wants us all to reunite with Her now! An unusual book from an unusual writer!
