**This book is specially designed in Amazon's fixed-layout KF8 format with region magnification. Double-tap on an area of text to zoom and read.**

An engrossing and counter view of one of the most dangerous elements of American urban history, this graphic novel tells the true story of Benjy Melendez, a Bronx legend who founded, at the end of the 1960s, the formidable Ghetto Brothers gang. From the seemingly bombed-out ravages of his neighborhood, wracked by drugs, poverty, and violence, he managed to extract an incredibly positive energy from this riot ridden era: his multiracial gang promoted peace rather than violence. Among its many accomplishments, the gang held weekly concerts on the streets or in abandoned buildings, which fostered the emergence of hip-hop.
