The Free-Spirit...

Nikki Maguire does what she wants, says what she wants, and lives by her own set of rules. She is an intoxicating combination of beauty, sex-appeal and sharp wit that men find irresistible. Unfortunately for them, none have ever come close to holding Nikki's attention, and settling down is not even on her radar.

The Politician...

Sexy Senator Michael Gowan lives under a microscope. As a man of power and influence, he always has to do and say the right thing. Every move he makes is heavily scrutinized. After being named one of People's 100 Most Beautiful People and landing on countless Most Eligible Bachelor lists, the spotlight on his personal life has never been more intense. But Mike has no interest in love...he doesn't even believe it exists.

The Stormy Night...

Grounded by a snowstorm, they share an anonymous night of passion and connection, both finding what their souls have been missing. But in the light of day, will the illicit high-stakes world of politics cause Nikki to deny her feelings or can Mike convince her that the only place she belongs is with him?

When the world is against them, will their unlikely love endure?

Author's Note: Each Hope Falls full-length novel can be read as a stand-alone
