## The Westerners Zane Grey

The very essence of the American West is to be found in the stories of Zane Grey, an author whose popularity has not flagged since his first Western novel was published in 1910. He wrote more than sixty novels, including the classic *Riders of the Purple Sage*, but he also produced some of the finest Western short fiction ever written. The stories collected here are shining examples of his best. Included in this volume is "The Ranger," first published in 1929 but never before in the form Grey himself intended. Here is a rare opportunity to experience the short stories of Zane Grey, restored and correct to the original vision, a vision that has remained unmatched for nearly a century!
