What To Consider if You're Considering College - Taking Action Bill Morrison, Ken S. Coates

Going to college used to be a passport to future success, but that's no longer the case. For some students, it's still a good choice that leads to a successful career after graduation, but for many their degrees are worthless pieces of paper. Choose the wrong program and graduation is more likely to lead to disillusionment and debt than a steady paycheck.

Yet parents, guidance counselors, and politicians still push higher education as if it's the only option for building a secure future. In this book, Ken S. Coates and Bill Morrison set out to explore the many educational opportunities and career paths open to Canadian high-school students and those in their twenties. This book is designed to help young adults decide whether to pursue a degree, enrol for skills training, or investigate one of the many other options that are available.

In this special excerpt, we consider the world outside academia and some real-world options, such as: 1. Volunteering as a Launch Pad, 2. Travel: Discover the World, 3. Entrepreneurship: Why Wait to Be Your Own Boss? 4. Give Work a Chance, and 5. Apprenticeship and the Skilled Trades. This book will help you consider all the options in a clear, rational way.

Janelle Coe:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this What To Consider if You're Considering College - Taking Action can make you really feel more interested to read.
