## **Dark Days** Kate Ormand

The future world has been divided into sectors—each the same as the other. Surrounded by thick steel fences, there is no way in and no way out. Yet a cyborg army penetrates each sector, picking off its citizens one by one, until no one is left. Behind the sectors' thick walls, the citizens wait to die. Few will be chosen to survive what's coming; the rest will be left behind to suffer. A new world has been created and its rulers are incredibly selective on who will become a citizen. They want only those with important roles in society to help create a more perfect future.

Sixteen-year-old Sia lives in one of the sectors as part of a family that is far too ordinary to be picked to live. According to the digital clock that towers high above her sector, she has only fifteen days to live. Sia's seen the reports and knows a horrific death is in store for her, but she is determined to make the most of her final days. Sia refuses to mourn her short life, instead promising herself that she'll stay strong, despite being suffocated by her depressed mother and her frightened best friend. Just when Sia feels more alone than ever, she meets Mace, a mysterious boy. There is something that draws Sia to him, despite his dangerousness, and together, they join a group of rebels and embark on an epic journey to destroy the new world and its machines, and to put an end to the slaughter of innocent people.

Aimed at 13- to 17-year-old readers, both boys and girls, *Dark Days* has subtle themes of environmentalism, government corruption, and teamwork. In the similar vein of *The Hunger Games* series, the gravity of Sia's situation with only fifteen days to live, will help bring some common teenage issues—friendship, self-esteem, budding romance—to the forefront. Sia is a strong female character who becomes a true leader, a good roll model for teenagers.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

#### **Abram Huffman:**

This Dark Days are usually reliable for you who want to be considered a successful person, why. The reason of this Dark Days can be one of many great books you must have is giving you more than just simple looking at food but feed anyone with information that perhaps will shock your before knowledge. This book is definitely handy, you can bring it all over the place and whenever your conditions in e-book and printed kinds. Beside that this Dark Days giving you an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we know it useful in your day activity. So , let's have it and luxuriate in reading.

#### **Steven Barraza:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Dark Days can make you feel more interested to read.

#### **Helen Albertson:**

Reserve is one of source of information. We can add our information from it. Not only for students but in addition native or citizen require book to know the up-date information of year for you to year. As we know those guides have many advantages. Beside we add our knowledge, can also bring us to around the world. From the book Dark Days we can get more advantage. Don't someone to be creative people? Being creative person must like to read a book. Merely choose the best book that acceptable with your aim. Don't be doubt to change your life at this book Dark Days. You can more inviting than now.
