Book 4 of the Steel Born paranormal romance series

Tigress changeling Yelena Morozova came to quiet Mad Dog Valley in the Oregon mountains to lick her wounds after her work at a war-zone girls' school went terribly wrong and she lost her ability to shapeshift. If she can't find her way back to the *verita luna*--the Second Truth that is a wereling's heart and soul--she will go insane and die. If she can't find a way to reconcile her human and beast selves, she can never hope to someday unite the wereling world with the oblivious humans and free her half-blood sisters from their Siberian exile. But when she falls through a watery fairy ring into the *phaedrealii*--the long-lost court of the phae--she finds more threatening changes than even her brave tigress heart might survive.

The mad Queen's court is spinning out of control, and Arazael--known to the rightfully wary as Raze the Ruiner--sees only one way to save the *phae*: permanently lock the court away from the temptations of the sunlit realm. During the Iron Wars, as the *phae* were losing ground to the encroaching humans, Raze helped create the sanctuary of the *phaedrealii*. To fulfill his vows to his brother who would have been King, Raze will lock the wards once and for all, though it will take every last drop of his magic-infused blood.

Instead, he finds himself with an armful of furiously wet tigress. Who becomes a furiously wet and naked woman with skin as golden as the sunlight he has all but forgotten.

Yelena's shocking shift is only temporary--lasting just long enough to awaken the sensual feline yearnings she'd thought lost--so she needs to discover how this dark and dour *phae*'s touch unlocked the *verita luna* in her. Meanwhile, Raze can't let this golden cat go until he finds how she slipped through his wards around the *phaedrealii*...and around his emotions, the same dangerous feelings driving the Queen and her *phae* to desperate raids into the sunlit realm.

As they seek to unravel each other's secrets, they realize their shared entrapment--he in the *phae* court he helped create and fears to abandon, she in the twist of her wounded *verita luna*--brought them together, but an escalating imbalance between the worlds of man and magic, between light and illusion, might drive them apart forever.
