How far would you go for redemption.

What some would call a lifetime ago, two entities descended from the sky.

They grew up with a very close connection but never really understanding why.

Life went on as normal, they grew up and began to lead different lives. Pete got married, began a family, and Michael grew a habit instead.

After a dreadful accident, unintentionally caused by Michael, Pete's wife Rebecca and child David died.

Pete went on for a while but could not bear the pain and decided to end his own life. Pete's soul was sent to the depths of hell.

Michael made a decision to rectify the wrong that he had done.

After stealing here and there, and after consulting with the local witch doctor and a short trip to the afterlife, he decided to speed things up.

Michael decided on the action he was going to take, and along with a few colleagues Craig, Andy, his ex drug dealer Wiley and old flame Nicole, the decent toward Michael's redemption would begin.
