Thomas Middleton

Five Plays (The Revenger's Tragedy and Other Plays) Thomas Middleton

Thomas Middleton (1580-1627), a bricklayer's son, rose to become one of the most eminent playwrights of the Jacobean period. Along with Ben Jonson he helped shape the dynamic course of drama in Renaissance England. His range is broad, as his work successfully covers comedy, tragedy, and history. Praised during his life as well as today, Middleton remains relevant and influential. This edition collects five of his most treasured dramas, demonstrating the breadth of his abilities. "A Trick to Catch the Old One" (1608) and "A Chaste Maid in Cheapside" (1630) are both delightful comedies of greed and lust. "Women Beware Women" (1637) and "The Revenger's Tragedy" (1607) are both deft tales of the pitfalls of vice, wealth, and sex. Lastly, "The Changeling" (1653) is Middleton's most refined and respected tragedy. It has experienced consistent success both upon its initial release and in modern times, with frequent staging over the past hundred years. "The Changeling" is a dark tale of deception and desire exploring the ways in which these impulses transform human beings, often to tragic ends. All five plays demonstrate Middleton's numerous gifts as a playwright of his time, gifts that helped shape the course of English literature.
