Government In India T. S. R. Subramanian

In a sense, this is a sequel to the author's earlier book *Journeys through Babudom and Netaland*; both covering the theme of issues of governance in India. *Government in India: An Inside View* treats the subject analytically, with the incisive eye of an insider. The instruments of governance and their components are subjected to micro-analysis in terms of their past performance; the macro results of these actions have been summarised.
