He Is Known as Ego: A Superhero Epic - 2nd Edition Jaime Mera

The human race faces total destruction by an inter-dimensional evil being called Ego, but is unaware of their fate as a super computer virus cripples the world's economy. The Eternal Champions take on the task of destroying the computer virus and Ego who no one seems to see as a threat. Elizabeth, Richard's wife, falls into a coma as a reflexive response to Ego's attempt to keep her from changing the future her powers can perceive. Villains capitalize on the disappearance of digital information worldwide and plant deep roots for sinister future activities. An assassination attempt on Elizabeth, while under medical observation, keeps the Eternal Champions distracted as Ego possesses humans to construct a nuclear bomb, seeking to trigger a chain reaction of fear, increasing his power and ability to leave his dimension. Richard's team is a pawn in the middle of a deadly game between three super beings and a black ops organization that won't stop until the superhero group is disbanded or dead. Richard seeks help from Mark, an old Vietnam friend, who can fix Erica, a super artificial intelligence, in hope of stabilizing the world's social infrastructure and finding Ego's henchmen. Susan is implicated in Elizabeth's murder attempt, but Richard intervenes by sending her off on a solo mission to find the origin of the killer computer virus. Elizabeth comes out of her coma, just in time to fight against Ego in the historical streets of Saint Louis. Our heroes fight for their lives as Ego unmercifully uses their own emotions to feed his dragon-like powers. John in the meantime searches for the nuclear bomb in hope of saving the world and weakening Ego. An unexpected twist leaves Richard questioning the people he thought were allies and the real future in store for the world. This book is the sequel to *Creator: A Superhero Epic*, and follows a growing storyline of good versus evil. This book is available in ebook, paperback and hardcover formats.
