Ida, a member of Sri Lanka's Female Tamil Tigers, fought with one of the longest-surviving and successful guerilla movements in the world. She is sixteen. Francois, a fourteen-year-old Rwandan child of mixed ethnicity, was forced by Hutu militiamen to hack to death his sister's Tutsi children. More than 250,000 children have fought in three dozen conflicts around the world, but growing exploitation of children in war is staggering and little known. From the "little bees" of Colombia to the "baby brigades" of Sri Lanka, the subject of child soldiers is changing the face of terrorism. For the last seven years, Jimmie Briggs has been talking to, writing about, and researching the plight of these young combatants. The horrific stories of these children, dramatically told in their own voices, reveal the devastating consequences of this global tragedy. Cogent, passionate, impeccably researched, and compellingly told, *Innocents Lost* is the fullest, most personal and powerful examination yet of the lives of child soldiers.
