A cross between Henry Beard's *Latin for All Occasions* and Ben Schott's *Schott's Original Miscellany*, JUST SAY NU is a practical guide to using Yiddish words and expressions in day-to-day situations. Along with enough grammar to enable readers to put together a comprehensible sentence and avoid embarrassing mistakes, Wex also explains the five most useful Yiddish words—*shoyn*, *nu*, *epes*, *takeh*, and *nebakh*—what they mean, how and when to use them, and how they can be used to conduct an entire conversation without anybody ever suspecting that the reader doesn't have the vaguest idea of what anyone is actually saying. Readers will learn how to *shmooze* their way through such activities as meeting and greeting; eating and drinking; praising and finding fault; maintaining personal hygiene; going to the doctor; driving; parenting; getting horoscopes; committing crimes; going to singles bars; having sex; talking politics and talking trash. Now that Stephen Colbert, a Catholic from South Carolina and host of the "Colbert Report," is using Yiddish to wish viewers a bright and happy Chanukah, people have finally started to realize that there's nothing in the world that can't be improved by translating it into Yiddish. Wex's JUST SAY NU is the book that's going to show them how.
