Staying Dead (Retrievers, Book 1) (A Retrievers Novel) Laura Anne Gilman

Manhattan's night life just got weirder...

It starts as a simple job — but simple jobs, when you're dealing with the magical world, often end up anything but.

As a Retriever, Wren Valere specializes in finding things gone missing — and then bringing them back, no questions asked. Normally her job is stimulating, challenging and only a little bit dangerous. But every once in a while...

Case in point: A cornerstone containing a spell is stolen and there's a magical complication. (Isn't there always?) Wren's unique abilities aren't enough to lay this particular case to rest, so she turns to some friends: a demon (minor), a mage who has lost his mind, and a few others, including Sergei, her business partner (and maybe a bit more?).

Sometimes what a woman has to do to get the job done is enough to give even Wren nightmares....

Tiffany Zamora:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
