Bad Hair Day Adrienne Sutton

Gabby McGee is a 12-year-old girl trying to shed her “bad hair,” her parent’s strict rules, and her insecurities—all at the same time. If only she could change her hair from nappy, kinky, and unruly, to straight, long, and flowing, she could finally fit in. But she soon learns that going behind her mother’s back to get a chemical hair relaxer isn’t the way to do it. After a failed trip to the hair salon leaves her in debt, she devises a hair-brained scheme to pay it off, which involves her crush, a French kiss, and a bake-off. Is it just crazy enough to work? Is changing her hair really what she wants? Or, could the money troubles of a classmate at her snooty private school cause her to change her attitude instead?
