Encyclopedia of Social Theory

Encyclopedia of Social Theory

The *Encyclopedia of Social Theory* contains over 500 entries varying from concise definitions of key terms and short biographies of key theorists to comprehensive surveys of leading concepts, debates, themes and schools. The object of the *Encyclopedia* has been to give thorough coverage of the central topics in theoretical sociology as well as terms and concepts in the methodology and philosophy of social science. Although 106 theorists are given entries, the emphasis of the work is on the elucidation of ideas rather than intellectual biography. The *Encyclopedia* covers the leading contemporary domains of debate on social theory and the classical legacies of social thinkers from the nineteenth and early twentieth centuries, giving proper balance to both the European and North American traditions and to important new developments in the global self-understanding of sociology.

Social theory has become one of the most vigorous specialisms of sociology in recent years. This is in part due to the considerable overlaps of social theory with other disciplinary areas, such as cultural and media studies, anthropology, and political theory, and to the cross-disciplinary nature of theoretical approaches such as feminism and psychoanalysis, and new fields such as postcolonial studies. The editors have therefore worked to produce in the *Encyclopedia of Social Theory* a first-call reference for students and researchers across the social sciences and humanities with an interest in contemporary theory and the modern history of ideas.

The *Encyclopedia* has been authored by leading international specialists in the field under the direction of a well-balanced editorial team. It is comprehensively cross-referenced and all larger entries carry bibliographies. There is a full index.

From reader reviews:

David Smith:

Reading a book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A lot of author can inspire their own reader with their story or perhaps their experience. Not only situation that share in the publications. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some analysis before they write to their book. One of them is this Encyclopedia of Social Theory.

Samuel Gorman:

Precisely why? Because this Encyclopedia of Social Theory is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will shock you with the secret the idea inside. Reading this book beside it was fantastic author who have write the book in such remarkable way makes the content inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of positive aspects than the other book get such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I were being you I will go to the guide store hurriedly.

John Pierre:

Are you kind of occupied person, only have 10 as well as 15 minute in your moment to upgrading your mind skill or thinking skill also analytical thinking? Then you are experiencing problem with the book compared to can satisfy your limited time to read it because this all time you only find guide that need more time to be study. Encyclopedia of Social Theory can be your answer since it can be read by you who have those short extra time problems.

Kimberly Plummer:

Many people said that they feel uninterested when they reading a book. They are directly felt this when they get a half regions of the book. You can choose the actual book Encyclopedia of Social Theory to make your reading is interesting. Your current skill of reading proficiency is developing when you just like reading. Try to choose straightforward book to make you enjoy to study it and mingle the opinion about book and reading especially. It is to be first opinion for you to like to start a book and go through it. Beside that the reserve Encyclopedia of Social Theory can to be your friend when you're feel alone and confuse with the information must you're doing of the time.
