Lettice & Victoria

Susanna Johnston

Lettice & Victoria Susanna Johnston

This darkly comedic novel revolves around the interactions of five main characters. Victoria, barely twenty, finds herself acting as amanuensis to Laurence, an elderly man of letters, now blind, who lives in a ravishing house by the sea in northern Italy. Soon after her arrival, she indulges in a heady night of passion with Edgar, a youthful Englishman. Their subsequent union introduces an extraordinary, dominating mother-in-law in the form of Lettice, who is jealous and suspicious of Victoria's prettiness and her ability to amuse Lettice's intellectual friends. Lettice makes it her goal to ensure that Victoria's new life in England is not just complicated but completely confusing, too. Enter Archie, one of the inner circle, whose relationship with Victoria provokes a scandal that threatens to destroy her. Darkly funny and deeply insightful, *Lettice & Victoria* is not just a love story with a fanciful and flawed female protagonist, but a wonderful portrait of 1950s English society.
