Primary Mathematics: Teaching Theory and Practice (Achieving QTS Series) Claire Mooney, Mary Briggs, Alice Hansen, Judith McCullouch, Mike Fletcher

The essential teaching theory and practice text for primary mathematics. Covering the skills of planning, monitoring and assessment and class management, it relates these specifically to primary mathematics. With full coverage of the theory and practice required for effective and creative mathematics teaching, this text is an essential guide for all trainees working towards QTS. Throughout, practical guidance and features support trainees to translate this learning to the classroom, embed ICT in their lessons and to understand the wider context of their teaching. This 7th edition has been updated in line with the new National Curriculum.
