## **Radical Philosophy: An Introduction** Chad Kautzer

In this concise introduction, Chad Kautzer demonstrates the shared emancipatory goals and methods of several radical philosophies, from Marxism and feminism to critical race and queer theory. *Radical Philosophy* examines the relations of theory and practice, knowledge and power, as well as the function of law in creating extralegal forms of domination. Through a critical engagement with the history of philosophy, Kautzer reconstructs important counter-traditions of historical, dialectical, and reflexive forms of critique relevant to contemporary social struggles. The result is an innovative, systematic guide to radical theory and critical resistance.
