A sound fills the Wolverns ears, familiar, yet one that never should not exist in this place of endless night and cold. The sound, the boys heartbeat, rang out loudly like a dinner bell calling all of the hungry creatures of this place to the feast. It had finally found one it could work with, one that had enough enemies to keep it satisfied, but now he was on the wrong side of things and in danger of being taken away. The Wolvern began to run towards the sound, it knew there were much worse and older things than the dead here, things even it avoided, they too would be waking from long sleep and starting the hunt. It just hoped Seth could stay alive until it arrived.

Julius Schenk, a writer who combines High Fantasy, Dark Magic and Grimdark, presents the second book of his Dead Gods & and Tainted Souls Series. Fantasy fiction where Joe Abercrombie like action meets the horror and deamon like creatures of HP Lovecraft. It's sword and sorcery done dark, fantasy books, for adults and for the new adult and college market. People who want believable, yet epic and awesome, characters and fantasy books and gritty fantasy.

'A great follow up, i love the well crafted magic system, and the focus on the more minor characters, but exploring their origins. It's good to see some strong female characters as well'
