The Wisdom of Generations, the sixth book in The Language of Conscience Evolution, exposes a method of thinking that already has the world's greatest influencers, policy makers, and leaders applauding because the book touches the very heart of cultural existence at every level— at home, in the community, in the country and across the globe. The book focuses on many of the issues our world, and each one of us as an individual, face today. It reveals how economics and politics often serve self-interests, however culture includes values-based decision-making. These ideas present what world-renown author calls, “Enlightened Conservatism”—an appreciation for the free-market system guarded by values-based self-regulation. Through thought-provoking dialogue, The Wisdom of Generations analyses some uniquely specific cleavage points and decisions, which ultimately changed history, and it challenges the reader to recognize similar points of current opportunity.
