*When fantasy becomes reality...*

The last thing nanny Alice Sommers needs is to be caught skinny-dipping by her sexy, cranky-pants boss—in his pool. Her sister owes a crap-load of money to a slimy loan shark and Alice *really* needs this job if she has any hope of saving her family. Fortunately, her boss is richer than sin and needs *her* just as much.

Art dealer Lorenzo Baldi will lose his prestigious career if his anarchist father's paintings are revealed to the art world. He's determined to persuade the paintings' eccentric owner to sell them to him, even if to pull it off, he'll have to blackmail his daughter's nanny—a woman with the sexy curves of a Botticelli masterpiece—into being his fake fiancé.

The gorgeous island of Capri inspires some *major* misbehaving. But even as the loan shark breathes down Alice's neck and the paintings move closer to the art scene, Lorenzo drops one more bomb that will change *everything*.
