Change and Stability: A Cross-national Analysis of Social Structure and Personality Melvin L. Kohn

In societies that experience rapid social transformation, does an individual's social position have a major influence on their personality? Exploring this, and related questions, Melvin Kohn presents a detailed overview of how social structure relates to personality in a variety of different countries in vastly different political and social contexts. Case studies include the US, communist Poland, Japan, and Poland and the Ukraine during their transition to capitalism.
