Gemini Falling Eleanor Wood

‘First of all, let’s get something straight.

This is not going to be one of those stories where the school bitch turns out to have a heart of gold...’

Amie’s the most popular – and the meanest –girl at her exclusive private school, with her trusty second in command Lexy by her side. And she likes it that way. Lexy knows that she deserves Amie’s prized position just as much but dethroning the Queen Bee just isn’t done.

Until mysterious twins Elyse and Melanie arrive mid-term, with a magnetic power that’s impossible to deny, and shake up the school’s social rules. As the twins leave darkness and devastation in their wake, Lexy’s suddenly discovering her own powers of manipulation.

Whilst Amie’s about to learn that it’s not just lonely at the top – it’s terrifying. **A Gemini Rising story**
