An in-depth look at Christian theology through Hispanic eyes. It weaves the doctrinal formulations of the early church on creation, the Trinity, and Christology into contemporary theological reflection on the Hispanic struggle for liberation.

This volume offers a major theological statement from a respected theologian and author. Richly insightful and unique, *Manana* is one of the few major theological works from a Protestant representative of the Hispanic tradition. Justo L. Gonzalez offers theological reflections based upon unique insights born of his minority status as a Hispanic American.
